

Just some of the happy attendees at the biennial meeting in Biloxi

From the Secretary

Roster Information: This summer we will publish the annual membership roster. If you have changed address, phone number or email address, let us know so we can update the master list and ensure your timely receipt of association publications and/or communications.

EMail vs. Hard Copy: While we clearly prefer to communicate with the membership by email for newsletters and other items because it's cheaper and quicker, we will put you on the hard-copy list if you desire. Use contact information above to request inclusion therein.

Dues Currency: Those of you who get communications and newsletters via email are notified of dues status from time to time by email. Those of you who receive hard copy need only look at the address label for a line that says "DUES PAID THRU _____" to see if you are current or in arrears. Annual dues are just \$20 per year. **Please send checks payable to USAF MSC Association to the Denver address.** As the new year begins, the objective is to have all members paid up for 2003 and prior years by March. Please use the application/renewal form in this newsletter to report changes when you send dues payments. Paying dues ahead through 2006 is clearly OK with us!
